

TEACHING THE CORE – EXEMPLAR LESSON

Thank you for participating in the Teaching the Core exemplar video project. We appreciate your important contribution to creating these valuable professional development resources for teachers across the country. The Teaching the Core exemplar video project is focused on capturing lessons that are exemplars of the Common Core State Standards in practice. In order to support you in planning for this lesson we have developed the following lesson preparation guide. When planning your lesson for video capture please follow the steps outlined below.

Step 1: Complete the below demographic information.

School Name: Francis Granger Middle School	Teacher Name: Jacob Sanders
Date: Tuesday, November 5, 2013	Period / Time (e.g. 8:45-9:30): (9:55 – 11:29)
Room Number: B215	Grade Level: Seventh Grade
Demographics of the class (e.g., % ELL, % SPED, other relevant):	No ELL or SPED. However, students are at various levels of ability
