## STUDENT RELEASE FORM

### **Introduction**

The Danielson Group seeks to advance the understanding and application of Charlotte Danielson's Framework For Teaching (FFT) in the educational community, connect educators' understanding of the FFT to other areas of knowledge, and enhance the professional practices of all educators, so as to positively impact student learning. The Danielson Group recently received grant funding from the Helmsley Charitable Trust to study how highly effective teachers in select school districts are working to adapt their teaching practices to meet the requirements of the Common Core State Standards.

Aspire University Charter School is one of the districts participating in this grant-funded research project. As part of this project, professional videographers will be present in your child's classroom, videotaping and/or photographing your child's teacher at work, as well as videotaping, interviewing and/or photographing the students at work with each other and individually in class.

We hope you will choose to allow your child to participate in this project.

### **Privacy**

The recordings made in the classroom are intended for educational, professional development and research purposes. Your child's full name will not be displayed in any program. By signing the release below you acknowledge that you understand that these recordings may be deemed educational records under the Family Educational Rights Privacy Act and that you consent to their release and use as set forth herein, and that the videotapes and photographs will not be disclosed to or viewed by anyone else, unless such disclosure is permissible under applicable laws.

### **Agreement**

I give my permission to the Danielson Group, and those authorized by it, to videotape, photograph, and record in any medium my child's appearance, name, likeness, voice, and school work in the classroom and on school grounds for education purposes, including but not limited to research, assessment, training, and professional development of teachers, principals, and other education professionals, in connection with the promotion of excellent teaching.

I grant the Danielson Group, and those authorized by it, the rights throughout the world and in perpetuity to use my child's likeness in these recordings for educational, research, instructional, commercial and promotional purposes pertaining to teacher professional development and related activities, in any and all media now or hereafter known, including but not limited to the Internet.

I understand that Danielson Group, and those authorized by it, will have the right to edit, copyright, display, distribute, and otherwise use the footage, as described above, without prior inspection or approval, and I release and will hold harmless the Danielson Group, its officers, employees, and agents from all claims, demands, and liability of any kind stemming from the distribution of these teacher professional development programs. I agree that the recordings discussed above, as well as the programs produced from these recordings, will

be licensed and publicly distributed on the Internet at no charge to qualified users and may be used as described above.

## STUDENT RELEASE FORM

### **Introduction**

The Danielson Group seeks to advance the understanding and application of Charlotte Danielson's Framework For Teaching (FFT) in the educational community, connect educators' understanding of the FFT to other areas of knowledge, and enhance the professional practices of all educators, so as to positively impact student learning. The Danielson Group recently received grant funding from the Helmsley Charitable Trust to study how highly effective teachers in select school districts are working to adapt their teaching practices to meet the requirements of the Common Core State Standards.

Aspire University Charter School is one of the districts participating in this grant-funded research project. As part of this project, professional videographers will be present in your child's classroom, videotaping and/or photographing your child's teacher at work, as well as videotaping, interviewing and/or photographing the students at work with each other and individually in class.

We hope you will choose to allow your child to participate in this project.
